Consumer Wages	Rate encompasses: - Actual wages paid to Consumer (usually minimum wage) - Administrative overhead costs to CRP - Worker's Compensation Coverage - FICA Not to exceed \$3.10/hr above minimum wage
Interview Preparedness - Group Program	12-hour program. Based on CRP's cost. Outcome requirements include: resume & cover letter; interview preparation; disclosure; interview follow-up & employment negotiation; informational interviewing; references; expected work behaviors.
Interview Preparedness - Individual Program	Up to 10 hour program. Based on CRP's cost. Designed to meet individual consumer needs
* Installments are based upon a formula that utilizes each Provider's Placement rate. The placement rates are based on an estimated statewide average time to secure placements for Vocational Rehabilitation consumers (33 hours). With using this average, it is anticipated that many placements will take less time to secure, while some may require significantly more.
