Internships, Seasonal and Temporary Work Experience	\$1,000
Most Significantly Disabled Placement Fee	\$500
<p>* This service is generally provided by DSPD for clients on the wait list who are in need of support and receiving services. Often times VR is working with MSD clients with development disabilities that may qualify for DSPD supports, but do not have the ability or support to apply for DSPD services. If the VR Counselor has identified that this is a need, hours can be authorized to a qualified CSB.</p>
