466 amount of income taxes imposed by the Commonwealth or any other taxing jurisdiction and deducted
467 on such federal return and increased by an amount which, when added to the amount deducted under

469 such purposes at a rate of 18 cents per mile; or

470 b. Three thousand dollars for single individuals and \$6,000 for married persons (one-half of such
471 amounts in the case of a married individual filing a separate return) for taxable years beginning on and

545 that are required as a condition of employment; however, the deduction provided by this subsection shall
